MEETING AT BANFF.

A meeting of the Banffshire Field Club was held within the Town and County Club Buildings at Banff this evening. Mr James Grant, solicitor, President of the Club, was in the chair, and there was a good attendance.

The Secretary submitted letter from Mr Wm. Hendry, Cairnton, Fordyce, who is managing a plantation in Travancore, India, sending several interesting sepulchral relics from Travancore. Mr Hendry in his letter explained the purposes to which the various articles had been devoted, and intimated that they might be handed over to the Museum. The Club agreed to thank Mr Hendry for his interesting gift.
